LHCP Update

LHCP Reaches Milestone—100,000 Pounds

Thanks to the 40+ boxes that were shipped on October 6, LHCP reached and surpassed a significant milestone—100,000 pounds of comfort and care items have been shipped to Landstuhl Regional Medical Center (LRMC) and combat support hospitals!

What does this milestone represent?

It represents a simple response to wanting to provide entertainment for hospitalized troops when the initial shipment was a box of VHS tapes.

It represents follow up as the chaplains at LRMC were consulted about what do patients at LRMC need "this month."

It represents a mother of a fallen soldier finding her son's name in a Google search in which he is listed as an Honoree for an organization she never heard of... LHCP.

It represents many loving stitches and knots as supporters have made countless blankets, pillows, med bags, scrub hats, Christmas stockings, and other requested items.

It represents growth that sprouted as word spread, as our 501c3 tax-exempt status was obtained, as patient liaisons returned to their deployed units and spread the news about a helpful organization called LHCP.

It represents how a planted seed can sprout and grow, and a home can become a receiving office, warehouse, and fulfillment/distribution center.

It represents generosity... of children, families, youth groups, school groups, church groups and congregations, civic

organizations, veterans organizations, CFC contributors, people living in other countries, coworkers, and businesses.

It represents family and friends who give contributions in honor of troops currently serving, in honor of military veterans, and in memory of loved ones who served.

It represents trips to LRMC where patients were challenged to not leave the Wounded Warrior Ministry Center without taking at least one item; where donations were organized and sorted; and where a hug or listening ear were waiting for patients, liaisons, medical personnel, or chaplains—with hours worked in honor of LHCP supporters.

It represents support for hard-hit medical facilities that received LHCP shipments just as critical items like sheets, blankets, and pillows were in short supply, giving solace in knowing the troops were remembered "back home" and that the fallen were not forgotten as they posted oft-read Honoree labels in work areas.

It represents the need that still exists as fierce fighting continues in Afghanistan and terrorists and insurgents plot and attack in Iraq and other parts of the world.

As long as troops are in harm's way, may LHCP continue to draw support so that we can continue to provide comfort and care items to our troops who become wounded, injured, or sick and to support the military medical personnel who care for them.

Thank You Notes from Recipients of Our Donations

The wonderful email and “snail” mail that we receive is posted on our website. Click on the “Troop Thanks” button to read more of the thank you notes that come to LHCP. Here is a sampling from this quarter:

October 2009

Wow, what a great service you do for us and our country. Its me again, Jesse from the xxxth Forward Surgical Team, I have found great interest in the winter blankets, as the winters are quite brutal here at 7,400 feet.

Our surgeons thank you for the shipment of surg. underwear you sent us. They help keep the bandages on. Also if there are any white socks available that would be great.

Again thanks for your service!!!

Jesse

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Thank you so much for the box of pillows. They were a great success. People will hopefully have a much more peaceful sleep because of them.

We would love some blankets for the winter. We could put two boxes to use easily. We have limited supply here and the weather is cooling down now.

If there are more of the break a way pants and croc sandles, they would be of good use.

Blessings

November 2009

Thank you! and an enormous thank you for the duffels and break a way pants! Our donations are finally picking up around here a bit after a long dry spell.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Thank you so much . . . your work is very appreciated!!

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Thank you so much for the box of clogs. They went over well. We love the fuzzy lining! Thank you so much for your support.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Hope the season finds you merry!

Eight weeks and my replacement should be here, I am so EXCITED!!!

Thank you SO VERY much for the beautiful pictures of the fall season.

They were absolutely beautiful and I put them on the ward door to share with everyone that came on board!

We also send a lot of special thanks for the Christmas ornaments and the back packs are very popular too!

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Ma'am,

I have received all the boxes sent except for the pillows. Thank you very much for your work and effort with everything.

I can not tell you how much I enjoy being the liaison between the various organizations and the hospital with receiving needed items for the service members.

I understand the feelings behind the loss of Pvt Steven Dress [November Honoree] and wanting to do something to honor that loss. I lost a friend and team leader back in August and with your help I feel like I am making a contribution to honor my friend.

Thank you, God bless and may the sun always shine upon your path.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

I am simply speechless. The Christmas Trees and ornaments are simply perfect! Very thoughtful and caring of all whom were involved and I wanted to say thank you so very much.

I am including our BN Chaplain's email in here because he also wanted to extend his special thanks to you and your staff.

Thank you again for all that you have done for our Soldiers.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Thank you again for the shipment of blankets. They are perfect for our ER! We really appreciate all you have done for us.

I hope you had a lovely Thanksgiving and have a very merry Christmas!

Thanks again,

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

December 2009

Ma'am,

I received the pillows yesterday and it was greatly appreciated by the hospital staff.

I took a peek in the boxes and I thought that the pillows were great pillows for the transients soldiers and they were in need of traveling pillows.

The following items are always needed here and if you by chance receive any flip-flops, nail clippers, and combs please send some our way. Thank you and take care.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

Thank you so much for all the gifts it is really helping here in our new place. We were all wondering what the heavy box was. THE PAPER! No one guessed it and would have never guessed.

Thank you for the blankets, Christmas stocking and all the goodies. We are so very thankful.

I am thankful for everything you have done to support me and OUR Soldiers. You are truly a blessing in our lives.

Soldier Down 2009—Fort Mohave, Arizona

By Jim Spliedt, LHCP Vice President

McCaa's Enterprises in Fort Mohave, Arizona again sponsored the Soldier Down benefit with all the proceeds going to LHCP. I made sure that I took a little time off from work to attend this Fort Mohave AZ/ Laughlin, NV event.

The Soldier Down benefit was held on November 7 and started with a motorcycle Poker Run in the morning. Soldier Down again had a live band, food and refreshments, and booths so that local businesses could participate. The "People's Choice" bike show was also held with Bud Blakeslee winning the trophy.

National Hot Rod Association (NHRA) and Pro Stock racing champion Junior Pippin was on hand

to help support this event. Junior started racing motorcycles professionally in 2004 and has won the All-Harley Drag Racing Association title four straight years (2004-07) before making the jump to the NHRA Full Throttle Series.

This benefit was well attended by the community. Numerous items, like sweat pants, were collected for wounded warriors just in time for winter. Amazingly, approximately \$5,000 in cash was donated to LHCP—3 times over last year's event. Both Nevada and Arizona have been hit hard by the recession and it was surprising to see the generosity of everyone in the area. The tattoo vendor gave all his proceeds to LHCP.

Thanks to Robert McCaa and everyone at McCaa's Enterprises for the use of their facilities. A huge thanks also to Liz Davis-Joyce, Debbie Nuchols, and all the other folks who worked long hours to ensure this benefit was a success.

Troop Thanks (continued)

Hello Mrs. Seljeskog. My name is Carol Millner. I believe my husband and I have a blanket you made for the Landstuhl Hospital Care Project.

I cannot thank you enough for the blanket. It really touched us deeply. I arrived with very little, and when David was getting better, a nurse mentioned the Wounded Warrior Closet for me to visit, there I would be able to pick up a few things for David.

That is where I was given the blanket you made. It has and will continue to give us comfort. Thank you for your time, your support, kindness, and thoughtfulness.

Walking into the Chaplin's office where the closet is located and seeing so many items that people made or donated was such a beautiful sight, it really made me feel so proud to be an American, and so proud of my fellow Americans.

From the bottom of my heart, thank you.

With a grateful heart,
Carol Millner,

Army wife of 16 years, mother of three, married to LTC David Millner who is currently the Defense Attache at the U.S. Embassy in Vilnius, Lithuania.

Here are the pics of the tree that we put up outside of the CHU's with the beer cans. I definitely think that the beer can Angel makes it.

Enjoy the pics.

LHCP was asked to send 7 trees this year along with decorations. We had a request for empty beer cans for one tree. The guys did a great job making the beer can into a tree top angel.

December 2009

To our coupon exchange program friends,

Each year during the holiday season, we take great pleasure in setting aside our regular work and sending a message to our friends in the coupon exchange program.

How joyful we are that this time has come again to extend to you our sincere gratitude because it is good friends like you that make the coupon exchange program possible. Many military families in the Tri-border region have been able to use your gifts and help stretch their salaries a bit more while in Europe. Your contribution is greatly appreciated.

May the spirit of Christmas be with you this holiday season and throughout the New Year.

Sincerely,
ACS Financial Readiness Program Team

State Charitable Organization Registrations

By Sharon Buck, LHCP Treasurer

As a non-profit organization with a 501(c)(3) tax-exempt status, LHCP is a public charity where financial and in-kind contributions are tax deductible for our donors.

LHCP is registering as a non-profit 501(c)(3) charitable organization in the individual 50 U. S. states, the District of Columbia, and Puerto Rico, one state at a time.

The task of registering LHCP in each state varies greatly. Some states do not require non-profit charitable organizations to register within their state. Some states require initial registrations with no annual renewal. Some states require annual renewals—and renewal dates differ from state to state.

Some states require non-profits to register only if they are under contract with a “professional fundraising” solicitation or solicitation company. *LHCP does not contract or use any type of professional fundraising solicitation practices, contractions, or employees to solicit contributions.*

LHCP receives financial and in-kind donations by word-of-mouth, the CFC campaign, and through our internet web site. LHCP does not hold fundraising events. There are citizen efforts, community projects, and organizations that conduct fundraising activities and provide donations to LHCP.

Each state has its own set of document requirements, with many states looking for similar information, but on different forms. Generally, the registration process includes completing the state

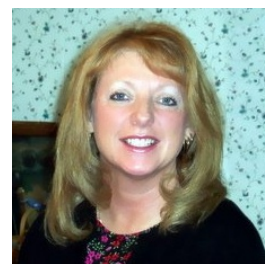

registration forms, our IRS 501(c)(3) determination letter, corporation certification, articles of incorporation, bylaws, most current IRS Form 990, and annual financial audit. In some cases, our original IRS Form 1023 (application for 501(c)(3) status) and our Annual Report is required. To add to the effort, some states require documents to be notarized. The State of Georgia, requires criminal background checks on the President, Vice President and Treasurer. So you can see, the process can take some time and effort.

The individual state registration process has costs involved. These costs are considered as administrative expenses when it comes to reporting expenses to the IRS. The costs for printing the state forms and all the necessary supporting documents have been donated along with some of the postage fees and notary fees in order to keep the administrative costs to a minimum for this effort.

A great majority of the states require registration and annual renewal fees—ranging from \$25 to over \$200. In some cases, the fee is based on the amount of annual contributions revenue listed on our latest IRS Form 990. All registration and annual renewal fees are paid by LHCP.

LHCP is a 100% volunteer organization with no paid salaries or compensation for goods and services. LHCP strives to keep our administrative expenses under 10% of total contributions. LHCP’s 2008 IRS Form 990 reports our administrative expenses were 3% of all contributions made in 2008.

Sharon Buck,
LHCP
Treasurer

When compiling the last three reports for IRS 990 (2006, 2007, and 2008), LHCP’s administrative expenses averaged 3% of contributions made.

Once all the states are registered and we are renewing within those states annually, LHCP will experience an increase in administrative expenses. These are expenses we can’t avoid so that we are registered where we need to be.

The state registration process is ongoing. Currently, we are registered in Alabama, Arizona, California, Florida, Maryland, New Jersey, New York, North Carolina, Ohio, Oklahoma, South Dakota, Utah, Virginia, Washington, and Wisconsin. The pending state registrations are Michigan, Pennsylvania, and Tennessee. Paper work is currently being processed for Missouri, Texas, Colorado, Connecticut, and Minnesota. The remaining states will follow.

As the LHCP Treasurer, I would like to send a big thank you to all our members and contributors for their dedicated efforts to support the mission of LHCP. Your generous contributions, whether it is your time, your in-kind donation or your financial contribution, makes the efforts of LHCP a success. Your part in this effort brings a little bit of home to those military service members serving our county so far away from home. THANK YOU!

Military Medical Students in Texas Hold Drive for LHCP

Each year, the military medical students at UTMB (University of Texas Medical Branch) Chapter of the Military Medical Student Association hold a drive for troops in theater. Knowing that the Department of Defense prefers only families to send mail during the holidays, the UTMB Chapter looked for other options and found LHCP, which president Tiffany Nelson, 2d Lt USAF believes “is an excellent choice, in the fact that we still support the troops, but are even more geared towards our purpose as military doctors, supporting wounded soldiers.”

The medical students at UTMB collected monetary donations,

duffle bags, toiletries, snack bars, and more. They printed LHCP’s “items needed list” and worked off of that. Their organization consists of 2 faculty advisors and 15 military medical students members in either Army, Air Force, or Navy.

When asked “if you could send a message to wounded troops, what would it be?” Tiffany Nelson, 2d Lt USAF provided the group’s response:

“To the wounded warriors: You made a sacrifice believing that in doing so, you were protecting those whom you love and the country you represent. Know that your sacrifices, however big or small,

UTMB Chapter of the Military Medical Student Association: Patrick Burbano De Lara, Stephanie Meyer, Tiffany Nelson, Patricia Stone, Will Valencia, Mariama Massaquoi, Jeffrey Carness

are appreciated and worthwhile. You are the inspiration for what we, as military medical students do. To be able to take care of you and your families will be an honor. Thank you for all you do and we wish you well in your recovery.”

Stories of Our Supporters

BAE Holiday Party

BAE Systems was thrilled to honor Landstuhl Hospital Care Project (LHCP) at its December 5 Holiday Party. To celebrate the holiday season of giving, BAE Systems employees have now provided \$15,770 to Karen Grimord to support the important work of Landstuhl Hospital Care Project. BAE Systems is grateful for the service LHCP provides to our nation's men and women in uniform, and the company is very proud to continue its partnership with such an inspirational and noble organization.

Karen Grimord and Devora Griggs, Manager of Strategic Philanthropy for BAE Systems, Inc.

Neat idea!

Employees of Hanson Peters Nye law firm in Barrington, IL decided to make donations to LHCP in lieu of exchanging holiday gifts in 2009.

LHPC 2009 Eagle Scout of the Year

Jarom Jones from Ogden, Utah was the LHCP 2009 Eagle Scout of the Year project winner. Jarom held a collection drive for comfort items both around his neighborhood and at his church. These items included 150 washcloths, 55 t-shirts, 30 pairs of socks, and even one hand-held game. It was a pleasure for LHCP Vice-president Jim Spliedt to meet Jarom and his family and present Jarom with his certificate and award personally.

Holiday Decorations

Many people answered the call to send beautiful handmade quilted Christmas stockings for the troops and ornaments and trim for the trees. Thank you!
