# LHCP Update

## Spotlight on Volunteer Judy Badgley

The Landstuhl Hospital Care Project (LHCP) would be nowhere without its steadfast and loyal corps of volunteers. Some have been supporting LHCP for years! Judy Badgley is one such dedicated person.

Judy was active with the Patriot Guard Riders when she saw the Norwich, NY, American Legion Riders advertising their annual ride fundraiser for LHCP. She looked up LHCP and decided to join the group and see how she could help out. It wasn't long before she began to sew for us! In her words, “I started to sew because the LHCP group needed sham pillow cases and Karen kept asking but all that was being donated was six here or a dozen there and she was asking for something like 1,500. That was back in 2008. I started to make the pillow-cases and THAT WAS ALL I was going to do.”

Well no, that wasn't all she was going to do. The group needed more help, so she began sewing medicine bags, comfort pillows, and blankets. It's now 2019 and she's still hard at work for our military!

## A Little Piece of Home

During the Korean Conflict, my Dad was in Korea. One year for Christmas, Santa Claus brought me a bake set. My Mom and I made a little cake, probably not much bigger than a cupcake. She put the cake in a box and packed it with popcorn and sent it off to my Dad. Many, many years later, I asked Mom if Dad ever got the cake. She said yes he did. It was in crumbs, but he told her he ate every bite then ate the popcorn it was packed in. He told her it was the finest cake he had ever eaten. He was so happy to have a little something from home.

So it is with shipments the LHCP sends to our troops. They are thankful for every tube of toothpaste, boxer briefs, hoodie, sweats, or protein snacks. In 2019, we have shipped approximately 35,000 items to support the men and women serving our country.

It is our hope that every item the LHCP sends to our Soldiers, Sailors, Airmen, and Marines makes a difference and gives them a little piece of home.

Her current item totals are:

- 5,434 Sham Pillowcases
- 2,705 Comfort Pillows
- 554 4x6 Fleece Blankets
- 306 3x5 Fleece Blankets
- 81 4x6 Flannel Quilts/Blankets
- 256 Medicine Bags

Somewhere along the way, she got her mother involved sewing Christmas stockings! She's donated well over 500!

Judy just recently finished up a large sewing project for LHCP, working with donations from the American Legion Auxiliary Girls Nation. Last summer, for the second year in a row, the Girls Nation chose LHCP to support during their yearly mock Senate event. Two girls from every state headed to Washington, DC, and brought fabric as donations to LHCP. That fabric was then mailed to Judy, who spent the next four to five months making it into 302 sham pillowcases and 41 comfort pillows!

It's been over ten years that Judy Badgley has been sewing for LHCP and our service men and women. Thank you, Judy, for all your hard work and serving the men and women who serve our country!
