Since its inception, each month LHCP has honored a military service member who gave the ultimate sacrifice for our freedom. Every box which is shipped from LHCP is labeled with information about the Honoree. The monthly Honoree’s story is attached to the box so others can read about those who have sacrificed their lives for our freedom. The only real criteria for the selection process is that LHCP has attempted to select a Fallen Hero from all 50 states and territories and from every branch.

One of our contacts at the stateside VA hospital recently told me that they get cold chills reading the Honorees stories and share it with the veterans at the hospital. This spring I labeled 72 boxes to take to the VA Hospital using the attached Honoree shipping label. And with each label I taped on the box, I felt that U.S. Marine Lance Corporal Camero was looking down on me and telling me “thank you for sharing my story.” It was my honor to salute this Fallen Hero and it is LHCP’s honor to salute a Fallen Hero each month.

Very respectfully,

Sharon Buck
LHCP Treasurer

All Shipments for March 2014 are made in honor of Marine Lance Cpl. Christopher Camero

Marine Lance Cpl. Christopher L. Camero, Age 19, of Kalaeloa, Hawaii posted to 3rd Battalion, 8th Marines, 1st Marine Division, 1st Marine Expeditionary Force, Twenty-nine Palms, CA, died July 12, 2011 of wounds suffered July 6 in Helmand province, Afghanistan, while conducting combat operations, serving in Operation Enduring Freedom.

Lance Cpl. Christopher L. Camero, 18, of the Big Island of Hawaii, died July 11, 2011 of wounds suffered in combat with the 3rd Battalion, 8th Marine Regiment. Camero had been assigned July 6 in Farah province, Afghanistan. In an article from the Honolulu Star-Advertiser, Lance Cpl. Christopher L. Camero was described as "the first Hawaii Marine to die in combat in Afghanistan and the first soldier killed in Iraq since 2003."

One of our contacts at the stateside VA hospital recently told me that they get cold chills reading the Honorees stories and share it with the veterans at the hospital. This spring I labeled 72 boxes to take to the VA Hospital using the attached Honoree shipping label. The wonderful email and “snail” mail we receive is posted on our website. Click on the “Troop Thanks” button to read more thank you notes that come to LHCP.

April 2014
I received five boxes a few days ago and the snacks and pillows were a hit as I remember with my last deployment. The big pillows go VERY quickly as do the blankets. I appreciate you sending the items to my Soldiers and me. It is nice to see the smiles on their faces when they come by and pick up some of the “goodies.” Since I work the night shift here, I don’t get my mail until the end of my shift when the mailroom opens, and I believe that I have some more boxes from you waiting for me to pick up in the morning. Again, thank you for all that you do to support the troops to include myself and my Soldiers. Have a wonderful day.

Received the package yesterday, and again thank you very much. The socks are great and the coffee, well what can you say about coffee. We here thank you from the bottom of our tired, but comfy feet to the top of our full stomachs.
Respectfully, CDR USNR

I wanted to send a personal thanks from our unit to you and your organization. We have been receiving your care packages and they always seem to come at just the right time. The blankets were especially well received and have made life here significantly better. Many troops, including myself, were using a sleeping bag before they arrived. Thanks again for all you do, and please know your efforts have been a real help to the troops in our unit.
V/R, 1LT

I received a box of blankets, clogs, snacks and toiletries today. Thank you very much for the package. All the stuff got distributed quickly. Thanks for your continued support.

Sincerely, CDR Rich

Thank you for the BBQ items. We had a command social engagement last night, went well, and there was much surprise and appreciation for the Weber mini-smokey-joes.
V/R, LCDR CMD Surgeon office

Shower shoes also mostly gone now except for the extreme sizes. Thank you so much for all your work. I always love the quote that “work is love made visible”, and this is certainly true of what you do.
Best wishes, Tim

Norwich Annual Poker Run
Norwich, NY

Over 100 people gathered May 17, 2014 for the Norwich Annual Poker Run in Norwich, NY. Sponsored by the American Legion Riders Post 189, Legionnaires and friends rode through the chilly morning to support Landstuhl Hospital Care Project. Over $5000.00 was raised!

Bill Fowler, Sergeant at Arms, American Legion Riders Post 189, stated, “We will ride in Honor of America’s Heroes and in support of those same sons and daughters of this great land that have been wounded on battlefields far from their homes. These great men and women were not drafted or conscripted into service—they went because they love America and know they live in the greatest nation to ever exist on this planet.”

Thank you to all of the riders and supporters who made this year’s American Legion Riders benefit for LHCP a success.

The weekend of June 21 and 22, Grace Chapel in Franklin, TN hosted two events to support Landstuhl Hospital Care Project.

The weekend began with a motorcycle ride. There were 22 bikes with 26 folks participating in the 96-mile ride. It was a beautiful summer day for a ride through winding Tennessee country roads. After the ride, 24 of the riders stopped for a BBQ lunch.

On Sunday, June 22, the Songwriters Spotlight presented a concert to support of Landstuhl Hospital Care Project. Victoria Jackson was the Emcee for the concert at Grace Chapel in Franklin, TN. Concert attendees were entertained by four nationally known songwriters, artists, and entertainers. Featured were Leslie Satcher, Paul Aldrich, Casey Beathard, and Ed Hill. They sang and performed songs from their repertoire that are familiar to all and can be sung along with on the radio. Landstuhl Hospital Care Project and the troops they serve are immeasurably grateful to Grace Chapel for hosting this event. This is the third year that the Songwriters Spotlight shared their talents to help LHCP provide needed comfort and care items for our troops serving so far from home. It was a successful, supportive of our military, great music and talent, and much appreciated event.

Many thanks to all who gathered!

**2014 Wreath Laying at Arlington National Cemetery**

By Donna Bolon, LHCP Vice President

May 10, 2014 was the annual LHCP Wreath Laying at Arlington National Cemetery. 21 people gathered at Arlington National Cemetery. Participants this year in laying the wreath were Mr. David Buck, Petty Officer First Class Jeremy Grimord, TSgt Jason Kingham, and Mr. George Gray.

As is the tradition with LHCP, we lay a wreath at the Tomb of the Unknowns and then lay flowers at the gravesites of men and women who have given the ultimate sacrifice in defending our nation, including our Honorees who are buried at Arlington.

The group reflected on their feelings about the day.

Jason and Jennifer Kingham said they were “honored to commemorate our fallen warriors at the Tomb of the Unknown Soldier.” George Gray stated, “It was a privilege and honor to lay the wreath and remember the sacrifice of those buried in this hallowed place.”

David Buck said “it had to be the experience of a lifetime.” Michelle said that today rekindled the pride that she felt the first time she put on her uniform. Jo Ann stated it was emotional and a lovely recognition of people. Britney said it leaves you with a loss of words.

Asked about the most memorable part of the day, Jason and Jennifer responded that Section 60 was special. Section 60 is dedicated to those service members who have given the ultimate sacrifice in Operation Iraqi Freedom and Operation Enduring Freedom. Reading the biographies of each fallen warrior gives us a glimpse into their lives, which made it a more personal experience. Casey and Debbie stated they were very proud and deeply moved to witness their son, TSgt. Jason Kingham, lay the wreath at the Tomb of the Unknowns.

When asked about the day in general, the group responded that it was a special day to remember. The Tomb of the Unknowns, the sentry’s watching over those known only to God, shows a dedication to the people who serve our country and shows what it actually means to love your country.

At the end of the day, the group paid their respects at the Pentagon Memorial. It was a touching moment of reflection to finish this day.

Pentagon Memorial, where flowers are left in remembrance of LHCP’s first Honoree, Naval Petty Officer 3rd Class Daniel Martin Caballero, who died in the Sept. 11, 2001 attack on the Pentagon.

**Welcome Home Baskets**

**New York State**

LHCP donated goods to fill laundry baskets of starter household items for homeless veterans moving to apartments in the state of New York. These were hand delivered in person.
